

CONA Leadership Class of 2020

City Services 1: Community Services, Sustainability & Resiliency, & Health in All Policies (HiAP) Session

Monday, January 27, 2020

SPC Allstate Center

3200 34th Street South

Light Dinner begins at 5:30 p.m.

Session begins promptly at 6 PM

*Review this packet beforehand and bring it with you to the session. **Students may want to bring laptop, tablet, or smart phone to participate.***

This session will feature three hours of information in an interactive format that will allow you to become acquainted with; Susan Ajoc, Community Services Director; Sharon Wright, Sustainability & Resiliency Director, and Cassidy Mutnansky, Planner II, Healthy St. Pete.

It is very important that you arrive early – we will start promptly at 6 PM.

Overview

The City Services 1 session will be an interactive experience with three officials. There will be five segments to this program:

- A brief introduction of the evening and our guests.
- Students will learn about the services and resources available from each area: Community Services, Sustainability & Resiliency, and Health in All Policies (HiAP) (Healthy St. Pete).
- Students will also learn about an initiative that involves the three areas and one of St. Petersburg's neighborhoods. You will be able to ask questions and obtain a better understanding of the roles and responsibilities, including how neighborhoods can engage with the various areas.
- You will also be provided a listing of online resources available to neighborhoods and the public.
- Wrap up and evaluation of the class concepts and implementation.

Community Services, Sustainability & Resiliency, & Health in All Policies (HiAP)

Important Points

- You are encouraged to arrive between 5:15 and 5:30 p.m. Dinner will be available in Room 103 where our session is located.
- Parking: Please park in the back of SPC Allstate Center building. There is ample space available.
- Restrooms are available on the same floor as Room 103 (to the north end of the building).
- Be sure to bring your CONA Leadership binder.
- Dress code is Business casual.
- Questions can be asked directly to our speakers. Please ask questions relevant to CONA's mission as a whole – feel free to use a specific concern in your neighborhood as an example if you think it generally applies to neighborhoods throughout the City.
- During discussion of the physical environment of the neighborhood, you may want to use your laptop, tablet or smart phone to participate in the class.
- Time Constraints: We will complete our session by 9 PM. Please feel free to help yourself to additional refreshments during the session.
