This session will feature information in an interactive format that will allow you to become acquainted with how the St. Petersburg Police Department (SPPD) operates and interacts with the public.

Overview

The Public Safety session will be an interactive experience with SPPD officials. There will be four segments to this program:

- A brief introduction: protocol for the meeting and introduction of the presenters.
- A presentation by SPPD Chief Holloway, followed by a Q & A session.
- Breakout sessions with the three District SPPD Community Service Sargent's.
- Wrap up and evaluation of the class concepts and presentation.

Important Points

- You are encouraged to arrive 15 minutes early to address any Zoom issues that you may have.

Public Safety

- Questions can be asked after Chief Holloway's presentation, during the breakouts, and at the end of session. Please ask questions relevant to CONA's mission as a whole – feel free to use a specific concern in your neighborhood as an example if you think it generally applies to neighborhoods throughout the City.
